Dear Parents and Guardians

The school will close for ***Summer Vacation from 17th May 2021 to 8 June 2021. (Both days inclusive)***

Summer vacation is a time when the whole family can be together, do certain small activities together, and create a long lasting bonding that children will cherish. In the present difficult situation of lockdown and uncertainty this has become all the more important, "Be together, laugh together, enjoy together, and also study together". This is very essential for emotional and mental stability of every family member.

Divya Jyoti Gurukul wishes all of you -- "Happy Holidays".

Parents please ensure that your children do study and revise the portion and do the given holiday homework as well.

Regards

Divya Jyoti Gurukul
